

August 1, 2018

Dear Families and Friends,

Let me welcome you to the 2018-2019 school year. I hope you had a wonderful, relaxing summer. My name is Mrs. Brady and I will be your child's Second grade teacher. This is my 8th year as a teacher in DPS and my fourth year at Southmoor. I love teaching second grade because I know that second graders have some of the best traits that students can possess: curiosity, enthusiasm humor and they still believe in the magic of learning!

Second grade is a very important year as your child will be making the transition from learning to read towards reading to learn and reading to write. We will also be working on maturing as writers as well as becoming mathematicians and scientists. I can already tell that this school year is going to be filled with enthusiasm and lots of learning! This year, Ms. Hoover, Mrs. Hutson and Mrs. Brady are your second grade team and we will be collaborating in every way to ensure this year will make a positive impact on your child's education.

If you ever have any questions or concerns, please do not hesitate to send a note or shoot me an email. I will communicate weekly about our classroom adventures and post pictures to our classroom website. Please take some time to explore the website and join our Bloomz App (more details on our website)

Our classroom website this year is: **[MrsBradysBunch.com](http://MrsBradysBunch.com)**

I'm excited about the opportunity to get to know your child, and I'm looking forward to a happy and productive school year. With your cooperation and support, I know that we can make this the best year yet!

Sincerely,  
Mrs. Brady
