

# Welcome to Second Grade!

August 5, 2017

Dear Families and Friends,

Let me welcome you to the 2017-2018 school year. I hope you had a wonderful, relaxing summer. My name is Mrs. Brady and I will be your child's Second grade teacher. This is my 7th year as an elementary teacher in DPS and my third year at Southmoor. I am SO excited to be joining the second grade team this year. Some of you may already know me because I have taught kindergarten at Southmoor for the past two years. I am thrilled to teach second grade because I know that second graders have some of the best traits that students can possess: curiosity, enthusiasm humor and they still believe in the magic of learning! They are so excited to learn and to discover new things!

Second grade is a very important year as your child will be making the transition from learning to read towards reading to learn. We will also be working on maturing as writers as well as becoming mathematicians and scientists. I can already tell that this school year is going to be filled with enthusiasm and lots of learning! This year, Ms. Whisnant, Mrs. Titus (Ms. Friedrich got married!!) and Mrs. Brady are platooning for social studies, math and technology. Ms. Whiz will be teaching science, Mrs. Titus will be teaching technology and Mrs. Brady will be teaching social studies.

If you ever have any questions or concerns, please do not hesitate to send a note or shoot me an email. I will communicate weekly about our classroom adventures and post pictures to our classroom website. Please take some time to explore the website and request membership with any additional email addresses I may not have.

Our classroom website this year is: **[MrsBradysBunch.com](http://MrsBradysBunch.com)**

I'm excited about the opportunity to get to know your child, and I'm looking forward to a happy and productive school year. With your cooperation and support, I know that we can make this the best year yet for your child!

Sincerely,

Mrs. Brady
